

7.3. INSTITUTIONAL DISTINCTIVE

Our college is the only college which aggressively works on environmental protection, promotes sustainability in the area. Our students are continuously engaged in tree plantation, maintaining plastic free environment. College had installed a solar plant on roof top of college, constructed compost pit for solid / liquid waste disposal.

The Students and faculties of the institution were actively participated in 72nd Indian Pharmaceutical Congress held in Nagpur in January 2023 and played major role. Our Principal was co-ordinator in local organising committee and also member of Indian Pharmaceutical Congress Association (IPCA) for the year 2022-23. He delivered Introductory remarks in the inaugural programme of 72nd Indian Pharmaceutical Congress.

The quality education is provided through regular classes and by conducting various programs where students were involved. Various activities like cleaning and awareness programs are conducted by the NSS unit of the college and it organizes 'Blood Donation and Mega Health Check-Up Camps' not only for the students and staff. Training and placement department also arranges for Soft Skill Enhancement Programmes, Group Discussions, various industrial training for the students along with placement activities.
